Deacons Message: Praise the Lord for the faithfulness of His servants here at HHCRC. We received strong support in giving to our General Fund in November and December. We also saw overall spending below budget for the year. The overall result was that the church General Fund ended the year healthy with surplus revenues of \$3,800 and expenses running \$13,000 under budget. Praise the Lord! Copies of the year end financial results are available at the secretaries desk. In addition, we were blessed in 2011 with Capital Campaign receipts of \$43,511 which has allowed us to reduce our building debt from \$138,500 at the beginning of the year to \$95,000 at the end. God is good, all the time! Thank you for being a part of His work!
