

Holland Heights Children's Worship March 7 – May 2010

All children will begin in the Blue Room to sing, but then the Three's will move into the Yellow Room for story, activities, and snack time. The teacher assigned to the Blue Room will lead the singing time.

The Helpers are asked to *stay down the whole hour* and assist the teachers with the children. Depending on attendance, you may be needed in either room.

If you are not able to volunteer when you are assigned, please trade with someone ***and*** call the office at 396-5988, so we can send postcards to the right people. **Either parent is welcome to be the helper!**

Thanks for sharing your heart and time with our children!
